Highlights

- ab. 630 km complete (main event 445 km)
- 16 mountain passes complete (main event 11)
- ab. 13'710 highmeter complete (main event 10'110 m)
- Drive with f.e. Flüela (2383m), Stilfserjoch (2758m), Albula (2312m), Splügen (2112m)

SWISS COBRA MEET 2026

Dear Cobristis,

a warm welcome from your organizing team, Nadja & Thomas. We are delighted to invite you to the SWISS COBRA MEET, which will take place in Davos from June 25 to 28, 2026. For early birds, our program will start in the late afternoon of June 24, 2026.

The Cobra Owners' Club Switzerland will celebrate its 25th anniversary in 2026. Following a successful European Cobra Meeting in Davos in 2018 and a Carroll Shelby Centennial Switzerland in 2023, the time is ripe for a "SWISS COBRA MEETING" (SCM), a 4-day meeting with an early bird option to mark the club's anniversary. We are reaching out to drivers of Cobra, Cobra Daytona, and GT40 models. The club invites all Cobristis, including those from abroad, to celebrate with us and spend four unforgettable days in Davos. The focus will be on mountain pass drives and petrolhead discussions on a topic that unites us all: "Carroll Shelby and the Cobra or GT40." Our event will take place at the hotel already familiar to many Cobristis, but which has changed ownership from the Sunstar Group to Davos Klosters Bergbahnen.

We have been members of the Cobra Owners' Club Switzerland since 2003 and have organized around 20 events for the club during this time, ranging from 1 to 10-day trips. It all started in 2004 with a tour to Locarno on Lake Maggiore. Highlights were certainly "Austria 2015," "Vercors/Provence/French Alps 2017," and "Carinthia 2020." In 2008, the platform www.sportwagen-tours.com was launched. "Roadster and sports car tours are my passion! Privately organized tours in which like-minded people can participate." However, due to time constraints, only one Cobra tour per year is now organized for participants by invitation.

Our goal is to present 80 vehicles (80 rooms) at this event, so please help us by participating. The principle of "first come, first served" applies.

All participants will stay at the Mountain Plaza Hotel Davos**** (formerly Sunstar) in beautiful single or double rooms. The hotel has an indoor pool and steam bath, which can be used free of charge. Wireless LAN is available throughout the hotel. In addition to wellness treatments at the hotel, Davos offers all kinds of options if your passenger would like to take a day off.

Similar to Event 2018, we have not made any reservations for lunch and coffee breaks. On the one hand, it is difficult to find restaurants that have the capacity for so many participants, and on the other hand, we want to give you the opportunity to choose your own stops.

There are plenty of options along the route, and the roadbook contains a few recommendations.

We look forward to seeing lots of you there and spending some great days with you and the Cobra Owners' Club Switzerland.

Your organizing team

Thomas & Nadja

Welcome message from the COC President

Adrian Trachsel, President of the Cobra Owners' Club Switzerland

Dear Cobra drivers, welcome! The Cobra Owners' Club Switzerland (COC) is celebrating its 25th anniversary this year, and I am celebrating my 5th anniversary as president. These are certainly important reasons to celebrate in style. The Cobra Owner's Club is delighted to be able to celebrate this with all of you on a larger scale. We owe the fact that this fantastic event is taking place at all to our two active members Nadja and Thomas Dibke as the main organizers and to all the COC members involved. A big thank you from me to all of you for your hard work!

Many of you were already present at the 10th European Cobra Meeting (ECM) in Davos in 2018, which went down in history. I am delighted to welcome you back to what is a dream location for us Cobra drivers. Here's to another wild ride through the winding roads of the Swiss Alps.

On behalf of the entire Cobra Owner's Club Switzerland, I wish you all a successful event with many accident-free and breathtaking kilometers.

PS. Fancy a drive together? A social get-together? Exchanging valuable know-how? Or just enjoying the relaxed atmosphere of the COC? New "snake drivers" are always welcome. You can find our registration documents on our website: www.cobra-owners.ch.

SWISS COBRA MEET 2026

Program:

Start	Program	Distance	Elevation gain	Number passes
Wednesday 24.06	Checkin Early Birds, dinner

Davos	Team foto shooting at the start, Flüelapass (2383m), Passo del Bernina (2330m), Forcola di Livigno (2310m), Passo d'Eira (2208m), Foscagnopass (2291m), Stilsferjoch (2758m), Umbrailpass (2501m), Ofenpass (2149m), Flüelapass (2383m) <i>cobra free option - visit Clavadeleralp demonstration cheese dairy</i>	Davos	245 km

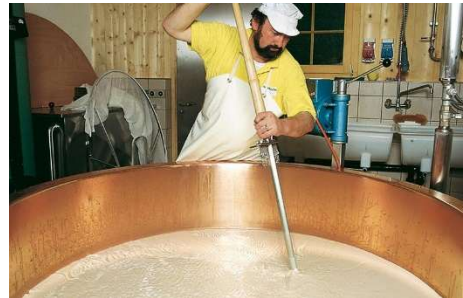

Schedule

08.00	Breakfast
09.00	Start drive
08.50	<i>cobra free option: visit Clavadeleralp demonstration cheese dairy, station Jakobshornbahn</i>
17.00	<i>Arrival drive</i>
19.00	Dinner in hotel

Cheaper fuel in Livigno (Duty-free-area)

Cobra free option – visit Clavadeleralp demonstration cheese dairy

The Clavadeleralp demonstration cheese dairy is situated at 2,028 metres above sea level and offers guests a stunning view of the alpine panorama. The demonstration cheese dairy can either be reached by taking the Jakobshorn cable car to Jschalp, followed by a 45-minute march on foot, or with the post bus to Clavadel followed by a one-hour walk, or on one of the many alternative marked footpaths from the valley.

Open from mid June to mid September

- Demonstration cheese dairy: 10:30 – 11:45 h (start of cheese production 10:30 h)
- Restaurant - start of June to the end of October
- Open daily from 09:00 – 16:00 hrs

Costs: If your group is eating lunch with us, the cheese is free. Otherwise, we charge including a small cheese tasting, 10.-CHF/person

Saturday, 23. June 2018 – 4'970 height meters

Start	Programm	Ziel	Entfernung
Davos	Car Presentation, Albulapass (2312m), Malojapass (1815m), Splügenpass (2112m) Dinner in the hotel, announcement ECM 2019; farewell part 1	Davos	240 km

Schedule

08.00	Breakfast
09.00	Car Presentation at Jakobshorn parking lot, Group foto shooting
10.00	Start Drive
08.50	- cobra free option: visit Clavadeleralp demonstration cheese dairy, station Jakobshornbahn
17.00	Return
19.00	Dinner in the hotel, announcement ECM 2019; farewell part 1

Planned route:

Option: shorter route – 3'110 4'970 height meters

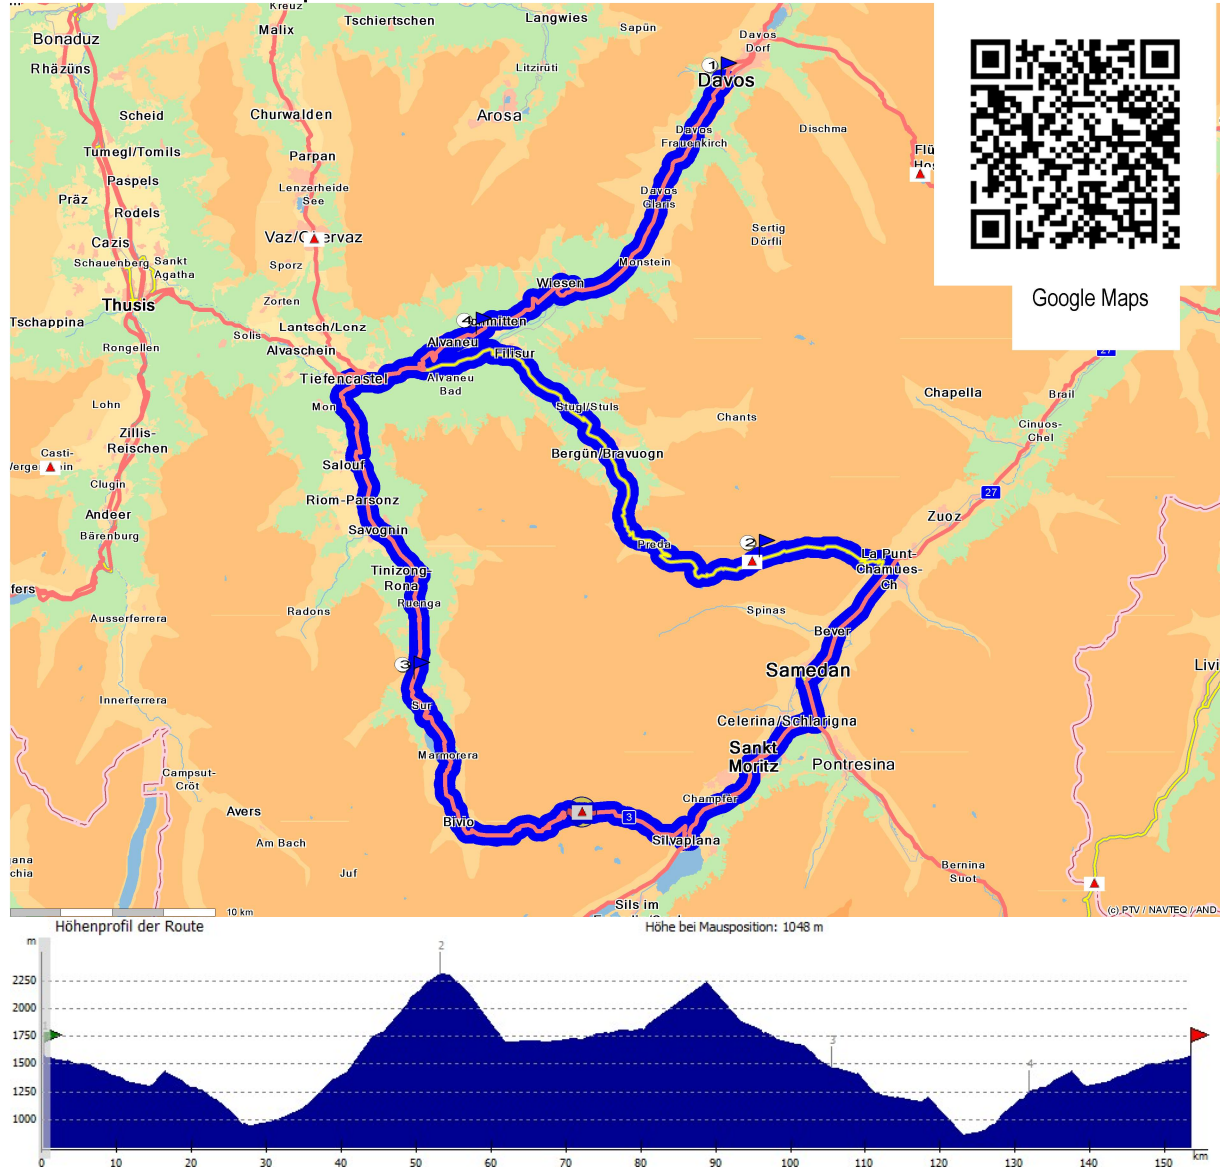

Davos

Albulapass (2312m), Julierpass (2284m)

Davos

155 km

Planned route with option:

Since we can not say exactly on Saturday how long it will take until all cobras are right positioned at the group photo and the right picture is in the "box", this route offers the possibility for a short cut at short notice.

We follow at the beginning the main route and turn right in Silvaplana to the Julier. The path leads us to Tiefenkastr and from there back to Davos, where we drive 85km less than the main route.
